Four Quest services for NI Chamber Essential Members

As an Essential Member at NI Chamber, you receive unlimited access to **Quest's four key services**, helping you to **save time, save money**, and **protect your business**.

Quest is a specialist provider of **HR, Legal, Health & Safety and Tax services**, and we want to make sure you're fully taking advantage of this valuable benefit. **But what does that really mean for you?**

Your Quest membership service includes:

HR Services

Members have unlimited access to an HR advice line. This advice line gives you expert guidance and bespoke advice on human resources matters. There's also a document library with over 130 HR templates.

Legal Services

Specialist legal advisors are available through the advice line. As an Essential member, you have access to a wide range of legal documents. Don't forget, there's £1,000,000 Legal Expenses Insurance that includes employment cover and tax enquiry cover.

Health and Safety Services

Quest's Health and Safety services include an efficient advice line for all your health and safety queries and a library of over 130 health and safety template documents.

One-to-one Health and Safety 'Health Check' consultations are also available.

Tax Services

Whether you are looking for advice on how to manage your finances or seeking tax planning advice, this service provides expert support and free professional guidance.

You can call the advice line for immediate answers to tax-related questions.

Quest also provides access to over 800 free downloadable HR, health and safety, legal and business documents and a complimentary HR health check for your business.

Northern Ireland
Chamber of Commerce
and Industry

Quest's four key services are designed to help businesses stay compliant with regulations, understand their responsibilities as employers, reduce costs by accessing expert advice and create a safe environment for their employees.
